

2016 POSTECH Open Lab Program

Introduction

The “POSTECH Open Lab Program” is organized to further promote the exchange of students between the two universities. The program offers a great opportunity for students to experience POSTECH’s research facilities and the unique Korean culture.

Date

July 4 (Mon) ~ July 29 (Fri), 2016 (4 weeks)

Eligibility

Currently enrolled junior students majoring in Science & Engineering fields from POSTECH Partner Universities. Applicants must be nominated by the program coordinator of the international office at their home university.

Application Documents

- Application form (attached)
- Research plan (1 page)
- Official transcript in English
- One recommendation letter from the supervisor
- Certificate of English proficiency
- Copy of passport

Application Deadline

April 15 (Fri), 2016

Program Contents

Research Experience	Research Participation / Final Presentation
	Visit to Prominent Research Institutes
Introduction to POSTECH and Pohang	Campus Tour
	POSCO & Pohang City Tour
Learn of Korea	Learn Traditions of Korea
	Experiencing Modern Korean Culture

※ The specifics may change.

Scholarship

KRW 500,000

※ Scholarship will be wire-transferred to each student’s Korean bank account after arrival at POSTECH.

Housing

Students will be generally assigned to DICE (Dormitory for International Cultural Exchange) and should pay housing fees within 3 days after their arrival.

- * Early check-out will not result in refund of prepaid housing fees.
- * Meals not included.

Certificate of Completion

Students will not receive any credits for their research participation. A Certificate of Completion will be issued after the program.

Visa

All participants are required to receive a Temporary Visit visa (C-3) from a Korean Embassy. Please consult with the nearest Korean consulate or Embassy about visa requirements.
